AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT dated the 9 day of **February 2022**

BETWEEN: **SOUTH TOMS RIVER SEWERAGE AUTHORITY**, a municipal authority of the State of New Jersey, having its principal offices located on 19 Double Trouble Road, South Toms River, New Jersey, 08757 (hereinafter referred to as “Authority”);

AND: **HOLMAN FRENIA ALLISON, P.C.**, having its principal offices located at 1985 Cedar Bridge Ave, Suite 3, Lakewood, NJ 08701 (hereinafter referred to as “Auditor” or “Contractor”).

WHEREAS, pursuant to law, the parties hereto wish to enter into an agreement for Professional Accounting Services.

NOW, THEREFORE, the parties hereunder do agree as follows:

1. Holman Frenia & Allison, P.C. is hereby retained as Authority Auditor for a term of one (1) year, commencing February 1, 2022, and ending January 31, 2023.
2. The Auditor proposes to audit the balance sheet of the Authority as of December 31, 2022, and the related statements of revenues, expenses, and changes in fund equity and changes in financial position for the year then ended.
3. The Authority audit will be made in accordance with generally accepted auditing standards and will include tests of Authority accounting records and other procedures the auditor considers necessary to enable Auditor to express an unqualified opinion that Authority financial statements are fairly presented in conformity with generally accepted accounting principles consistently applied. If the Auditor’s opinion is other than unqualified, the Auditor will fully discuss the reasons with the Authority in advance.
4. Auditor’s procedures will include tests of documentary evidence supporting

the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected customers, creditors, and banks. At the conclusion of Auditor's examination, Auditor will also request certain written representation from Authority about the financial statements and related matters.

5. An audit is based primarily on the selective testing of accounting records and related data; therefore, Auditor's audit will involve judgment about the number of transactions to be examined and the areas to be tested. Because we will not perform a detailed examination of all transactions, there is a risk that material errors, irregularities, or illegal acts, including fraud or defalcations, may exist and not be detected by Auditor. Auditor will advise Authority, however, of any matters of that nature that come to Auditor's attention.

6. Auditor understands that Authority will provide Auditor with the basic Information required for Auditor's audit and that Authority is responsible for the accuracy and completeness of that information. Auditor will advise Authority about appropriate accounting principles and their application and will assist in the preparation of Authority's financial statements, but the responsibility for the financial statements remain with the Authority. This responsibility includes the maintenance of adequate records and related controls, the selection and application of accounting principles, and the safeguarding of assets.

7. Auditor understands that Authority's employees will type all case, accounts Payable, and other confirmations Auditor requests and will locate any invoices selected by Auditor for testing.

8. Auditor's examination is not specifically designed and cannot be relied on

to disclose material weaknesses in accounting controls. However, during the audit, if Auditors becomes aware of such material weakness in internal accounting control or ways that Auditor believes management practices can be improved, Auditor will communicate them to Authority in a separate letter.

9. Auditor's fees for these services will be based on the actual time spent at Auditor's standard hourly rate, plus travel and other out-of-pocket costs. Auditor's standard hourly rates vary according to the degree of responsibility involved and the experienced level or personnel assigned to Authority's audit. Auditor's fee to perform the audit for the South Toms River Sewerage Authority for the year ended December 31, 2022, would be \$16,500. This fee is based on the anticipated cooperation from Auditor's personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, Auditor will discuss it with Authority.

10. In addition, Auditor understands that Auditor serves at the pleasure of the Authority and that Auditor's services may be discontinued at any time upon 30 days' written notice. Further, that if services are discontinued at the Authority's request, Auditor will provide transitional service for 30 days after the separation date in accordance with this contract for payment. Upon completion of the transitional period, Auditor will submit a final invoice within 30 days.

11. Services will be billed relating to the audit on a monthly basis for the period from February 2022, through January 2023, at the rate of \$750.00 per month with a balance of \$7,500.00 billed upon acceptance of the audit report by the Commissioners.

12. Auditor's services for assistance in budget preparation and other matters
